and Landscape Architects**

# Conditions of Sale

Prices herein listed cancel all previous lists, and are subject to change without notice.

## Terms

Prices herein listed are F. O. B. NURSERY AT PAINESVILLE, OHIO. To those with established record for promptness or with satisfactory references, we shall be pleased to extend our regular terms of 30 days from date of invoice. Two per cent (2%) discount will be allowed if paid within ten (10) days, or three (3%) per cent discount for cash in full with order.

**Absolutely no C. O. D. orders will be accepted unless accompanied by one-third (1/3) of the amount of the order.**

## Price Quotations

PRICE QUOTATIONS are made for immediate acceptance, subject to prior sale, and to stenographic, typographical errors, or omissions.

## Guarantee of Genuineness

We cannot guarantee any trees, shrubs and plants sold by us, other than that they are true to name, and free from any injurious insects or disease, and hold ourselves prepared to replace, on proper proof, all that may prove to be otherwise. Any and all such trees, shrubs and plants are sold upon the express condition and understanding that should any of them prove to be otherwise, we shall not be held responsible for a greater amount than the original price paid, and all orders booked are based on the distinct understanding that the purchaser agrees to the conditions as herein outlined.

## Claims

All orders accepted by us are booked on conditions that they shall be void should injury befall the stock from frost, fire, hail storm or other causes of whatsoever nature over which we have no control. All claims of whatsoever nature must be made within 6 days after receipt of the stock. Claims should be made promptly within the time limit specified, and in writing.

Plants become your property upon delivery to the transportation company, and we cannot be responsible for loss, damage, or delay in transit.

---

# TRADE CONDITIONS

## Carloading

We have a railroad siding on our own property and are equipped to load cars to all points promptly and without unnecessary extra handling of stock.

## Explanatory Notes

Figures following names throughout this list indicate in feet the approximate height of the plant at maturity.

The botanical and common names herein used are in conformity with the "Standardized Plant Names" which is the accepted authority on the plant nomenclature in the horticultural industry.

Our grading standards are based on a schedule which has been accepted and adopted by the American Association of Nurserymen.

## Balling of Deciduous Stock

All items herein listed "B. & B." will be balled and burlapped and the cost thereof is included in the prices herein listed.

Deciduous stock listed bare roots may be balled at the option of the purchaser, and a schedule of cost of balling such deciduous stock will be found on inside back cover.

We carry no stock in storage. Stock on all orders are freshly dug from the field after receipt of each order. The advantage of planting freshly dug stock is recognized by all expert planters.

## Packing Costs

When L. C. L. orders are placed for shipment by common carrier, there will be an additional charge for packing. A schedule of packing prices will be found on inside back cover.

No orders will be accepted for balled stock if it is to be boxed for shipment, but can often include small balled stock orders as part load on trucks. Please inquire. No orders will be accepted for any nursery stock under the value of \$25.00 unless called for.

---

# THE KALLAY BROS. CO. PAINESVILLE, OHIO

---

For the benefit of the amateur planter, and those who care to follow these suggestions, we indicate herein after, the name of each item of woody plant material, the type of soil, PH content of the soil, and exposure of the plant to sun and shade necessary for the best and lasting result and satisfaction.

## BERRY BEARING TREES AND SHRUBS

For late fall and winter effect; also attractive to birds.

### TREES

*Cornus florida*—red  
*Corylus americana*—brown  
*Corylus avellana*—brown  
*Crataegus in variety*—red

*Malus in variety*—red  
*Morus alba*—white  
*Nyssa sylvatica*—black  
*Sorbus aucuparia*—red

### DECIDUOUS SHRUBS

*Amelanchier canadensis*—purple  
*Amelanchier stolonifera*—purple  
*Aronia arbutifolia*—red  
*Aronia melanocarpa*—black  
*Berberis in variety*—red  
*Benzoin aestivale*—red  
*Chionanthus virginica*—blue  
*Cornus alternifolia*—black  
*Cornus alba sibirica*—white  
*Cornus amomum*—blue  
*Cornus mas*—red  
*Cornus paniculata*—white  
*Cornus stolonifera*—black  
*Cotoneaster in variety*—red  
*Euonymus alatus*—red  
*Euonymus americana*—red  
*Euonymus europaeus*—orange  
*Euonymus yedoensis*—orange  
*Ilex verticillata*—red  
*Ligustrum amurense*—black  
*Ligustrum ibota*—black  
*Ligustrum ibota reelianum* — black

*Ligustrum vulgare*—black  
*Lonicera in variety*—red  
*Myrica carolinensis*—gray  
*Photinia villosa*—red  
*Rhamnus catharticus*—black  
*Rhamnus frangula*—black  
*Rhus canadensis*—red  
*Sambucus canadensis*—black  
*Sambucus nigra*—black  
*Sambucus pubens*—scarlet  
*Symporicarpos racemosus*— white  
*Symporicarpos vulgaris*—red  
*Symporicarpos V. Chenaulti*— black  
*Viburnum acerifolium*—black  
*Viburnum americanum*—red  
*Viburnum cassinoides*—red  
*Viburnum dentatum*—black  
*Viburnum lantana*—black  
*Viburnum apulus*—red  
*Viburnum Wrighti*—red

Specially attractive to birds on which they feed, and bird lovers should by all means include the following varieties in their plantings:

*Amelanchier in variety*  
*Aronia in variety*  
*Benzoin aestivate*  
*Chionanthus virginica*  
*Cornus in variety*  
*Cotoneaster in variety*  
*Crataegus in variety*  
*Ligustrum in variety*

*Lonicera in variety*  
*Malus in variety*  
*Myrica carolinensis*  
*Prunus in variety*  
*Rhus in variety*  
*Rosa in variety*  
*Symporicarpos in variety*  
*Viburnum in variety*
